Product/Service	Description	Qty.	Total
Shuffleboard Court Surfacing W/Glass Beads - Plexipave Pro Paint System - Factory Backed 3 Year Paint Warranty	<p>Contractor to supply all material, labor, &amp; equipment to install to re-surface Qty (8) shuffleboard court(s).</p> <p>Contractor will clean the court(s) surface by either power washing or sanding the court as required.</p> <p>Grind ridges as required and will treat cracks 1/16 or more with a fortified crack sealer.</p> <p>In areas that are depressed more than 1/8" in depth on the playing surface we will install a fortified court patch binder to help promote water distribution in these areas.</p> <p>After the courts have been prepared contractor will install 2 coats by squeegee of a Plexipave's high performance acrylic color coat system with glass beads. This system of coating does not require the use of wax, or glass bead distribution on the courts surface. It also reduces glare and provides greater control of the discs.</p> <p>Please indicate your color choice below.</p> <p>Court Color Choice _____</p> <p>After the 2 coat color system has been and applied and appropriately cured this contractor will by stencil paint new lines with 100% highly pigmented white paint.</p> <p>Thoroughly clean the job site and dispose of all related debris.</p> <p>This contract excludes any surface that is considered the alley or sitting area and work will be confined to the actual surface of the court and side where applicable.</p> <p>When installing lines overspray may occur due to an uneven surface or windy conditions. This will not be considered poor workmanship but rather an application process that can not be avoided under certain circumstances beyond the contractors control.</p>	8	\$12,272.00
