1.5" Valve Rebuild (no guarantees), \$190-\$390.
Depending on the type of valve.

1.5" Valve Replacement (1 year guarantee), \$385-\$765.
Depending on the type of valve and the complexity of the repair.

Whole System Filter Installation. Call for pricing.

Locate Valve or Broken Wire on Large Property, \$125
per hour.

Emergency Service Call: Your regular service call fee plus \$50. This service bypasses regular scheduling delays in order to provide immediate service.

Terms

Payment is due upon receipt of service. \$30 fee per month after 30 days past due. Discounts voided after 30 days past due. Prices are subject to change without notice.

Notes

We also offer discounts for our valued clients who take advantage of one of our maintenance plans. Our maintenance plans are as follows:

Annual Maintenance Plan, starting at \$70 per year: we will check over your entire system 1 time, adjust spray patterns, set sprinkler timer, provide diagnostics of electronic components, and recommend needed repairs. Members of this plan also receive 3% OFF of the entire invoice value.

Bi-Annual Maintenance Plan, starting at \$120 per year: we will check over your entire system 2 times, adjust spray patterns, set sprinkler timer, provide diagnostics of electronic components, and recommend needed repairs. Members of this plan also receive 6% OFF of the entire invoice value.

Quarterly Maintenance Plan, starting at \$220 per year: we will check over your entire system 4 times, adjust spray patterns, set sprinkler timer, provide diagnostics of electronic components, and recommend needed repairs. Members of this plan also receive 9% OFF of the entire invoice value.

If you are interested in taking advantage of one of these plans, please give our
