Happy February all! This is my first month serving as TWERC President. I would like to thank Pete Sims for the role he played these last 2 years as President. I know that our new TWERC Board will continue working together to keep our Florida lifestyle fun and exciting. Thank you to our TW residents for allowing me this opportunity to lead this amazing group of volunteers who work daily to bring top-of-the-line activities and entertainment to our community for our pleasure. My goal for this year's TWERC group is to work together with our residents and advisory Board, as well as our community management team. In this way we will continue to produce an environment that offers plenty of activities and things to do, a safe place to live and cohesiveness in the community. The very best way to get accurate information is to attend our weekly Saturday Morning coffee meetings. It is there that you will hear the latest updates on events, meet new people, discover similarities among our community members and hear about up-coming things to do. I highly recommend attending. Coffee Social

hour starts at 8 AM, the meeting begins promptly at 9 AM and finishes in 30-40 minutes. Where else in Florida can you buy a cup of coffee and a donut for \$1.00! We all have a common goal. We want to have fun! To do that we require lots of ideas, lots of energy, lots of preparation and planning and lots of hands at work. Tangerine Woods is a volunteer based community. We have over 80 activities under our social network of things to do. We have a wonderful Lazy Daze & Dazies group whose job is to SAVE US ALL \$\$\$!! We have an active HOA Board that truly has our best interest and safety as their first priority. TWERC operates and maintains all these activities in Tangerine Woods with volunteers. We always need volunteers!

Remember that we are a **TEAM** of people who want and deserve the best of retirement life. We want to keep active, we want to spend time with friends, and never have to shovel snow!! Thank you for your support. This is a great community to call home. Let's all work together to continue to keep it that way! **Together Everyone Accomplishes More!**

**DON'T MISS OUT!
TWERC ANNUAL
FLEA MARKET**

February 2nd and 3rd
at the clubhouse and
blue building!
Bake sale, basket raffle,
furniture, super bargain
room, tools, 50/50,
and treasures galore!!

☐ February 2nd - community shopping. From noon until 2pm. From 2pm 'til 4pm enjoy the Sunshine band, hot dogs, hamburgers.

☐ February 3rd - 8am 'til Noon open to Englewood and the surrounding communities.

TW ACTIVITIES AND ANNOUNCEMENTS

LeeAnn's MUSINGS

LeeAnn Magner

As we go into the second month of 2024, I am sure that we all hope for a year of no life-changing dramas. It has taken over a year to recover from Ian and even now, there is still work to be done. This will be a busy year as all the usual activities resume but take time to get to know your neighbors. There are so many new faces in our community and most of us who have been here a while often say, "there are so many people here that I don't know." So, when you see someone you don't know, introduce yourself and make a new friend.

One of the charities that our community supports is St. Jude Children's Hospital. We do this in a couple of ways. The biggest activity is the St. Jude Soup Luncheon. There is a committee that asks the residents to make the soups that will be served. Those making soups bring them to the Clubhouse on the appointed day in crockpots with ladles and they are placed on a very long table and served by the committee. They will also ask for donations of homemade breads and desserts. It is a very important fund raiser for our community and it has always received total support. The community buys tickets and shares in the bounty. It is fun and full of fellowship as we share in the wonderful culinary talents of our neighbors and give to a deserving charity.

You may have heard this before, but TW is a community of volunteers. Every job except for the office staff and janitorial service are performed by the members of our community. The Owners Board takes care of the management issues and the TWERC Board handles all of the entertainment, sports, and any other activities that we find to entertain ourselves like Bingo, ceramics, cards, Saturday coffee and just about everything else that occupies our time outside of our homes. So, get involved. If you hear of an opportunity to do anything and it is something that you feel capable of, volunteer. You will find it rewarding and that there will be any number of people willing to help you.

One of the opportunities available is the job that Jane and I do, that of putting together and editing this newsletter. Jane and I are retiring after the 2024 April edition. I won't kid you, this is a big job and it is time-consuming but it is creative and fun. Jane and I have been doing it for five years and will be happy to help a willing neighbor to learn the job. And, if you like to write, as I do, it will give you an outlet for your creativity. I would be willing to contribute a column from time to time and even interview a neighbor for the "Meet Your Neighbor" feature that we introduced. Be brave, volunteer!

LAZY DAZE

John Yannaci

Hello Friends and Neighbors!

We are now in full swing at Lazy Daze and Dazies, with our crew exceeding 100 people. First of all a big thanks to all that were involved in taking down our Christmas decorations. It was well organized and everything was stored away in one day.

I would like to regress and explain the mission of our group. The Lazy Daze/Dazies volunteers are the TW Maintenance Department that works to save the community thousands of dollars each year. We work only on TW projects and never use TWOAI funds for the benefit of individual home owners. We are unparalleled in any community that I know of, so kudos to all involved.

My involvement along with Mike LaPalme is to schedule jobs and pass on any work to the respective crews.

I was raised in a large Italian family where we hugged, ate, and drank wine. Although I don't drink wine anymore, I still hug and eat! I now consider TW as part of my family and everyday is treated as a blessing because of our community. I am so proud of the men and women and what we accomplish and I vow to you that we will continue to do our best.

I have been accused of not having the word "no" in my vocabulary. Friends, Neighbors, and Family, I am listed in the phone directory. Call me anytime and we will talk.

Until next time, be safe and stay healthy.

RELAY FOR LIFE/PASTA DINNER

Get ready for our annual pasta dinner in the clubhouse on March 9 for the Cancer Society! Our menu is: Pasta, sauce, meatballs, sausage, salad, bread, iced tea and lemonade. The dessert will be donated by TW residents. Sign-up sheets will be posted on the bulletin board starting February 24th. We are limiting the event to 200 people and the tickets will go on sale February 24th and March 1st. BYOB and extra money for the 50/50.

REMEMBER, THIS IS FOR THE CANCER SOCIETY.

For more information call the Gineos 941-716-6318 or the Autoores 860-384-2987.

2024 Coffeehouse

Judy Goodrich

The Memoirs Group will hold the Seventh TW Coffeehouse on Sunday, February 25, from 2 p.m. to 5p.m. (includes an intermission) in the Clubhouse with piano music offered by Peter Sims starting at 1:45pm. You will hear personal accounts, essays, storytelling and poetry written by our members interspersed with music by some of our TW residents. Come and enjoy some refreshments and support our local talent. Get your free ticket one or two weeks before this event at a Saturday morning coffee. Tickets will help us plan for the seating of the number of guests. Please contact Judy Goodrich at 231-620-6727 with any Coffeehouse questions.

LAZY DAZE PANCAKE BREAKFAST

Jim Carrey

On Sunday, Feb. 21st between 8:00 and 11:00 a.m. at the Clubhouse you will have another opportunity to enjoy a delicious breakfast for \$7.00 and at the same time support Lazy Daze. Scrambled eggs, sausages, orange juice, tea, coffee and all-you-can-eat-pancakes are on the menu. Purchase tickets at Saturday Coffee and don't forget to invite family and friends to attend.

Super Seniors (90+) are FREE!

TW QUILT CLUB

Colleen Walker

The TW Quilt Club has made a lovely quilt to raffle off on March 2nd, 2024.

This year's theme is:

"OH MY STARS."

The fabrics are very colorful and our 2024 quilt serves as a reminder of this Country and the freedoms we share. Most of our club members had a hand in design and creation of this lovely quilt.

Raffle tickets are \$1 each or 6 for \$5 and will be available beginning January 1st and are available from any Quilt Club member. Tickets will also be sold at various times/events in TW, including Saturday morning coffee gatherings. (Please remember to get your tickets). All proceeds go to TWERC.

A special thank you to all involved in making this quilt and to those who purchase tickets.

Please feel free to contact me at 315-935-5972 or any quilt club member if you have any questions.

TIKI FRIDAY

Mike and Charlene Gineo

Everyone, get ready for Tiki Friday on February 23 from 2-6pm by the pool and lanai. You can relax, eat great food, dance to the great TW Sunshine Band and socialize with your neighbors! Hamburgers \$5 with chips or hot dogs with chips for \$4. Don't forget to bring extra cash for 50/50 and also BYOB!

Mark your calendars for the next Tiki Friday, March 22nd.

NEW RESIDENTS WELCOME PARTY

Please note.....new owners who purchased homes in Tangerine Woods from: Jan 1, 2022 – Dec. 31, 2023

ONLY are invited.

The date is Tuesday, February 13th, 2024, between 2:00 - 4:00 PM in our Clubhouse.

Hors d'oeuvres, wine, beer and water will be served.

Part of the fun will be the door prizes that will be won by some of the new residents in attendance.

This is a great opportunity to meet with Members of both Boards of Directors in TW, as well as some committee members who can answer any questions that you might have.

The invitations to this event will be delivered to those eligible to attend. If you think you are eligible and didn't receive an invitation, call to find out your eligibility status.

Please RSVP by Feb. 3rd even if you do NOT plan to attend to: Colleen Walker.....315-935-5972 or Jane Patenaude..... 508-863-3375

ST. JUDE LUNCHEON

Sandy Hardt

On Feb. 28th, at noon, we will be having our St. Jude soup luncheon. Tickets are \$10 each and will be sold at morning coffee in February.

On January 17th, there was a special game at Bingo to benefit St. Jude and ran for three consecutive Wednesdays. Thank you all who participated.

All donations of prizes and gifts are greatly appreciated.

Contact Sandy Hardt 262-664-5157 or Louise Glose 443-824-4320 if you have any questions.

Hope to see everyone there for a great cause.

2024 TANGERINE WOODS BOARD OF DIRECTORS

Gordon Laflin

I would like to introduce the Tangerine Woods Board of Directors for the 2024 year.

With the annual election completed and three seats decided the Board will consist of:

Gordon Laflin

Bert Noyes

Mike Muzzey

Pat Molt

Liz Summers

John Walonski

Tom Welsh

The Board organizational meeting will be held within the next 10 days to determine the officers for the 2024 Board.

I would like to thank outgoing Board members Barb Weatherhead and John Fliess for their time and service to the Board and residents of Tangerine Woods.

TW ACTIVITIES AND ANNOUNCEMENTS

TW HOME TOUR

Chairperson: Judy Goodrich
Co-Chair: Pat Molt
First COVID, then Ian ... unfortunately, they both caused major delays. Fortunately though, we are happy to inform you that the long-awaited **TW Home Tour** will finally be held for one day only on **Sunday, Feb. 18 between 1-4pm!** Get your pancake breakfast that morning and then spend your afternoon getting an inside look at a variety of TW house models. Check out the updates people have made and the many different decorating styles. It's very interesting to see someone else's ideas for the same floor plan that you have. Or, maybe you are just interested in seeing other floor plans or styles. Whatever the reason, this is an event you won't want to miss! This is a fundraising event to benefit St. Jude's. Tickets will be sold at coffee on Feb. 10 and Feb. 17. Tickets are \$10 each if purchased in advance (\$15 on the day of the event). You will receive a wristband that will entitle you to tour a minimum of 10 different houses. Please note, this is a residents only event for adults. On the day of the event, please wear the wristband that you were given when purchasing your ticket. Pick up a tour map at the clubhouse and then go visit each house. The map will be clearly marked as well as on site. The tour starts at 1pm and ends promptly at 4pm. Questions? Call Judy Goodrich 231-620-6727 or Pat Molt 914-456-5798.

TW FUNDRAISERS

LeeAnn Magner

Tangerine Woods community has several fundraisers during the year. The biggest and most profitable is the annual Flea Market. The sale of space to us to the sale of the generously given household goods, furniture and odds and ends is a profitable endeavor. The newer residents will discover its impact and most likely be asked to help with one of the many parts that make it work because almost every resident is involved with its success.

Another fundraiser is the St. Jude luncheon which is also coming up in February. It is another 'all resident participation' event. The volunteers ask for a variety of donations to raffle off - from gift cards, gift baskets and items that would be fun to get. The biggest ask will be the homemade soups, breads and desserts. This one supports a wonderful charity and is a lot of fun and a great way to meet your neighbors.

We also support the American Cancer Society with a Relay and spaghetti supper. This is another way to support a worthy cause and make new friends. The Ginos have been making and serving a delicious repast in support of this cause for many years. We all have seen the devastation and fear that this disease causes. So, watch for the announcement of this year's date.

My favorite fundraiser is the 'Adopt a Family' endeavor that feeds the families for Christmas and clothes youngsters and their siblings for the school year. This is a really feel-good effort that has raised funds for those deserving Englewood children and their families. Get involved, it will make you feel great!

WELCOME TO KAYAKING

Bert Noyes

Welcome to TW Kayaking. We currently have six (6) kayaking dates scheduled beginning January 26 and ending April 11, 2024. Most of our tours are on creeks and the Intra-coastal Waterway and we try to go to a different destination each time out. We use sit-on-top kayaks (very easy to get on and off), the water is shallow (mostly) and the kayaks are very stable (definitely).

We generally leave the TW Clubhouse around 1:00 pm to carpool to the launch site. We get on the water by 2:00 pm and back to landfall by 4:00 pm, often with dinner to follow for those who want to get a bite to eat together (no obligation).

Although no experience is required, we do provide a free Safety and Instruction class for those who have not kayaked before and for anyone who just wants to try out kayaking or to practice her/his kayaking strokes.

All TW residents and their guests are invited to join us for a unique experience on the nearby waterways. For information on fees, destinations or with any questions or concerns contact Bert or Debbie Noyes (978-423-1255)

Or Diane Laderoute (941-460-6233.)

POISONOUS FLORIDA

by Don Steele

We live in paradise, don't we? In other parts of these United States, we may be subjected to winter ice storms and blizzards, earthquakes and out-of-control wildfires, or tornadoes on a regular basis. We have hurricanes and some strange people. Florida is no more dangerous than other states where the winter cold keeps many dangers at bay, while Florida's climate is pleasant year round. That's why we're here, right?

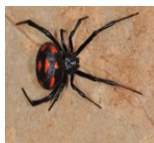

This column should include all the Florida creatures that are potentially deadly. Almost anything can be deadly; like water, cars, bacteria, the sun and even friends. It all depends on how we encounter them, understand them, or it's just luck. This area is famous for alligators, which scare some residents, but alligators attract tourists. This column will be limited to animals that carry chemical toxins for defense or to catch food and can be encountered in Southwest Florida. I'm not interested in animals that carry deadly parasites or bacteria. Excluded are sharks, panthers, alligators, mosquitoes, bees, fire ants, wild boars and bears. That leaves snakes, spiders, jellyfish, and stingrays.

Eastern coral snakes and some pit vipers call Florida home. The coral snake has red, black, and yellow stripes and prefers woods and swamps. Remember: "Red touches yellow, you're a dead fellow." Pit

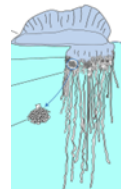

vipers are born alive. Water moccasins (aka cottonmouths) are large, dark in color, and found near fresh water. The Southern Copperhead is small, only three feet long, and will flee or "freeze" rather than attack. They are tan with triangular markings. Eastern diamond-back rattlesnakes, common in Florida, have black, red, yellow, and green diamond patterns. It's the largest rattlesnake species and one of the most venomous. One measured 7.8 feet long and weighed 34 pounds. Pigmy rattlesnakes are a small species found in all parts of Florida, with adults usually reaching two feet in length. It makes a buzzing sound that can only be heard when it's close. They live in burrows dug by rodents or gopher tortoises.

Two species of venomous spiders live in Florida. The female black widow is small and easy to spot with a bright red hour-glass pattern on its back.

The brown recluse has a violin-shaped mark on its back. It earned its name because of its tendency to hide. Most bites are harmless, but skin necrosis can occur in 1/3 of cases.

Jellyfish

Portuguese Man-o-Wars and Box Jellyfish can be found and hopefully avoided on the surface of the ocean. If you see one, there are probably more. It is said that box jellyfish are the most poi-

sonous marine creatures in the world and have claimed more lives than sharks in the last 50 years.

Stingrays can really hurt, too. Remember Steve Erwin? I had an encounter with a little one 25 years ago on

Sanibel Island. I was walking across the three-inch-deep outlet of a tide pool and stepped on a baby ray, about six inches wide, hiding under the sand. It felt like a bee sting and I just walked away. Back on my beach lounge, I rested for half an hour when my foot started to burn. I had to go back to my room. A notebook provided by the resort listed all the available amenities, features and a page about the "Sanibel Shuffle" that was recommended to avoid rays. It included what to do if you stepped on one. It sounded too easy, but I had to try it. It said to put your foot in a basin of the hottest water you can stand. I used the trash can and immediately the pain went away, permanently. It was amazing! As an unexpected bonus, the poison's steroids cured my heel spur pain for over a month.

Venomous creatures are one of nature's many ways of maintaining the population balance of a species. Remember that we humans are only part of the big picture. Recognize that every population must maintain its balance, or nature will do it for us. If we want to continue to increase our population beyond all reason, perhaps that is what space exploration will provide. Maybe that is why we have been given such powerful brains. Or maybe we are so smart that we develop artificial intelligence to do it for us. As of today, I think that is still fiction. Be observant. Enjoy the beauty of the different creatures you see, while keeping a third eye open for the beautiful things to avoid. And yes, we do live in paradise.
