### TWERC TALK

By Liz Summers, TWERC PRESIDENT

It is hard to believe there are only two more months left in 2020!!! By this time in a normal year our activities would be running strong. We would be awaiting our northern neighbors to join in the fun. As we all realize, this is not a normal year.

Three planned activities have already happened. The “Trial Bingo” was held October 19<sup>th</sup>. The new machine TWERC purchased to replace the used 1990’s equipment is working just fine and I have heard many good comments. Cindy Kleinschmit has been programming and working with the new equipment. As soon as the other “callers” are trained we will be trying another bingo evening. *The Good Liar*, was the first movie shown this year. Thanks to Dave and Alaine Troisi everyone was pleased with the choice and looking forward to more movies on our new 80” TV. Halloween brought out the ghosts and goblins to enjoy the Poker Run. Denise and Rick Chard were the chairmen for this first ever TW event. We thank them, their committee, and the hosts who passed out the

cards for the poker hands... (as well as all the yummy treats)!

Ken Keyes and I meet each month to discuss what more activities can be started. As of now, Billiards can be played when the clubhouse is open. Exercise classes are each morning in the Great room. Water Aerobics is at 11:00 AM. As of this writing, work has started on the floor of the Exercise Room. Hopefully it will be opened for limited use soon. Tennis and Pickle Ball are being played. The Pool is open after the morning exercise. Remember to mask-up for temperature check as you enter the pool area. Shuffleboard and Bocce can be played. The pool monitor has the key for the equipment room. As you can see, we still have activities in which to participate and volunteers

to help facilitate them. Ken is fond of saying, “Baby Steps”! A Resident stopped me and said how sad it was without Saturday Morning Coffee because that was where all the announcements were heard about upcoming happenings. That is so true, but please keep an eye opened at the entrance of the clubhouse. The bulletin boards will have posters of up-coming events and re-starting of activities. The Topics is another place to watch for what is going on here in TW. TWERC is planning a meeting in November to reorganize and talk about what can be in our future. Stay tuned.

MASK!**

# TW ACTIVITIES AND ANNOUNCEMENTS

## LeeAnn's Musings

By LeeAnn Magner

Welcome back to paradise to all our old friends and new neighbors, soon to be friends. While we are well aware of the restrictions placed on us because of the pandemic, there are many options for entertainment available to us. Of course, these fun things will have to be shared by smaller groups. We know that you will all enjoy the balmy weather and the company of friends and neighbors. While enjoying the benefits of our wonderful community, it is important to remember that the reason we are such a great place to live depends on our following the rules. We were all given a copy of these rules and guidelines when we bought into TW. Let me point out a few for you. One of the nice things about our community is the appearance of our homes and gardens. There is a book of color choices for the painting of our abodes. They are usually pastels and in good taste. The colors and combination of colors have been chosen by a committee of our peers. If the book is not in the community building, Bob Walker will have it. Once you have made your choice of color scheme, you must apply for an exterior permit. These forms are located in the community building and a box in the mail room. These forms are necessary whenever a homeowner wants to make changes to any part of their home or property that is not indoors.

There are several rules that concern pets. The most important is that we pick up after them and dispose of the containers properly on our own property. We must be in control of our pets at all times. Then there are the rules concerning cars. Cars should not be parked on the street overnight. We often have emergency vehicles coming into the community during the night and cars on the street can be obstructions. Neither cars nor golf carts are allowed on the grass. Parking at the clubhouse is designated either for cars or golf carts, please park accordingly.

Okay, there is a lot more information in the pages of that booklet. It is our responsibility to know that information. So, as we all have to suffer through self-quarantine when returning from our winter homes, take a couple of hours and reacquaint yourself with the rules. Then get outside and enjoy the balmy weather and fun outdoor activities. Be careful, stay safe, and wear a mask!

**REMEMBER 20 IS PLENTY**

## TWERC TALK Continued from pg. 1

Shirley DeCotis has retired as our Photo Lady. A big thank you goes to Shirley for all the hours she spent attending events, sorting photos, filling the clubhouse indoor bulletin boards and finally creating the yearly photo Memory books. You have kept us in pictures Shirley! **We Thank You.**

The Christmas Season will be arriving soon. Don't forget our annual Charity - Adopt A Family. There is a poster by the Clubhouse front door telling you the 3 chairpersons. They are happy to receive a donation at any time. We have talked with Sargent John Allen from the Sarasota Sheriff's Department. He is busy getting the names of families with children who could use our help. The Monday after Thanksgiving will be decorating day. Lazy Daze fellows and the committee of ladies will begin to do their magic. That will get everyone in the spirit and maybe we will have more homes with lights this year. Also, Beate DuMouchel is in charge of Luminaries. Someone from her committee will be knocking on your door before the first of December. Our streets look so magnificent on Christmas Eve with the candles all aglow.

As you are conversing with your friends and neighbors start thinking of new ways we can enjoy ourselves here in TW. You all have good ideas on outdoor activities that you may have participated in at other locations that would be fun to try here. Just let a member of TWERC know about what you have in mind and we can bring it to the next meeting.

**Remember when you return to Tangerine Woods let the office know in person that you are here. 10 days of quarantine will be required.**

Lastly, stay safe...you know what to do.

## ATTENTION

**All residents returning to TW and their guests must sign in at the office between 9:00 a.m. and 3:00 p.m. and self quarantine for 10 days before participating in any activities. Please wear a mask when entering the clubhouse.**

## TW Book Club is Going Virtual

By Audre Sautter

Book Club will meet on Zoom from 3 p.m. to 4 p.m., Thurs. November 19. November's book is The Book Woman of Troublesome Creek by Kim Michele Richardson. (Because of FDR's Kentucky Packhorse Project, single female librarians rode to remote areas of Appalachia delivering books and care during the depression.)

December's book will be The Black Klansman by Ron Stallworth.

Anyone interested in joining a meeting, please contact Audre Sautter at chuckaudre@gmail.com for a Zoom invitation.

# TW ACTIVITIES AND ANNOUNCEMENTS

## LUMINARIES

By Beate DuMouchel

Christmas time is approaching and in keeping with TW Tradition, luminaries will be going on sale the 1<sup>st</sup> week in November 2020. Volunteers will be going door to door to see if you are interested in ordering luminaries for your yard. Please contact any of your friends or neighbors that are not here to see if they are interested and you could place an order for them.

I would like all volunteers from last year to please let me know if they are willing to do this again this year. Face Masks should be worn by everyone going house to house due to the times we are living in.

It is a beautiful sight on Christmas Eve when all streets are lit up. During this trying period we have been experiencing, a little light amidst the darkness will be a welcome sight and hopefully lift everyone's spirits for the holidays.

Prices are as follows:

Candle \$.65

Bag \$.10

Cup Free

Wood Block \$.50

Payment is due when order is placed.

If anyone has any questions, you can contact me at 860-716-8570 or email me at [bdumouchel10@gmail.com](mailto:bdumouchel10@gmail.com)

## ATTENTION MANASOTA BEACH THANKSGIVING PARTICIPANTS

Please note that this year's gathering (Nov. 26, 2020) has been **CANCELLED** in accordance to the guidance of the TW Board and the CDC guidelines.

Sarasota County has transferred our permit, at no charge, to next year for our pavilion use, etc. (Nov. 25, 2021).

There will be **NO REFUNDS** for reservations made previously. Family reservations will also be transferred to next year (unless the participant has moved or has a handicapping medical issue.)

*If anyone has a question please contact the Walker's 315-935-5972.*

## ADOPT A FAMILY

Every year about this time, we would see Ann Foster stand in front of the coffee and donut crowd on Saturday morning reminding all of us that there are a lot of deserving children who would not have a Christmas without our help. Ann is no longer with us and a new committee, consisting of Jane Warburton, Robin Mikota and Diane Gilroy is asking for our help. There will be no coffee pleas and not much opportunity to address large groups of neighbors. So, it is up to us as individuals to contact one of these three neighbors and make our donations. The possibility is that fewer of our neighbors will be in residence this year so it is more important that those of us who are here, make an effort to bring joy to the children of our adopted community. The children who will be helped are all Englewood residents, have good grades and admirable comportment. In other words, they are trying to be good citizens and deserving of our help. Make your donations as soon as possible so that the Sheriff's Department (the sponsor of this charity) knows how many children and families that will be helped.

## CERAMICS

Effective the first Thursday in November (11/5/2020) at 10 AM we are starting up the Ceramics program again this year.

We will only be firing pieces that you paint. Laurie McNamara and I will plan a day trip to Clearwater or Sarasota to buy some items that you may be interested in. We still have some pieces in the ceramics room that can be purchased and Laurie is planning on ordering some new items.

All are welcome but due to the restrictions in the community, we will limit class size to 8, masks required.

**You must enter the ceramics room via the back door.**

Please come and join Laurie and myself and your friends and neighbors. We chat, laugh and have a general good time. Getting out and doing something fun and different is what is needed for all right now.

Hope to see you on the 5<sup>th</sup>.

Beate DuMouchel

## REMEMBER THE BLOOD MOBILE

By Betty Riedel

The Blood Mobile will be at the Clubhouse on Saturday November 14th from 7:30 a.m. until noon. There is a severe shortage of blood and blood products. Please consider taking approximately one half hour of your day to donate. The procedure takes only 10 minutes and you will help at least 3 people with one donation. The sign up sheet will be on the Bulletin Board in the lobby of the Clubhouse, which is open from 8 a.m. until 3 p.m. **THANKS** to all donors.

## NOVEMBER BIRTHDAYS

- 2.Roger LaPlant
- 5.Eileen Cicilioni

- 27.Richard & Joyce Rath
- 28.Gary & Joan Palmer-HAPPY 61**
- 29.Ned & Lynn Pingree
- 30.Kirk & Cindi McGee

### Pool Monitors

While many of our neighbors have been in their summer homes, many of the year-round residents have been performing pool monitor duty. Now that you are back in your winter homes, how about signing up for a couple of hours a week. The rules are simple. You must be out of your 10 day quarantine, wear a mask while signing in pool guests, no more than 10 people in pool at one time, and no more than a total of 35 people in the pool area. Pool monitors have the keys to the exercise room and Bocce and Shuffleboard equipment storage. Oh, and you have to check temperatures. Try it, it's fun! Call Sherry Sarine at 941-999-4005.

## DECORATING

This year is going to need a lot more cheer than we usually generate during the holidays. A suggestion has been made that more of us decorate the OUT-SIDES of our homes to share the joy of the season more visually with our neighbors. Most of us usually focus on the interiors of our homes. So, instead of keeping it all inside, share the fun of the season with your neighbors with an outside display. If a neighbor can't put out a wreath or a few lights maybe you can help them out by doing it for them.

## BINGO

The first Bingo of the season was a success and the committee has been given the go-ahead to have a Bingo Night on a once a month schedule. SO – the second night of Bingo will be on Monday November 16. Play begins at 7PM. The same procedures as we followed in October will apply.

Those are:

Bingo cards will be sold 9 am – 10 am on Saturday, November 14.

Exact change is required for the purchase of EACH Bingo product you purchase.

That means if you buy 1 Bingo pack, it will cost \$3. Two Bingo Packs will require \$6. The specials Continued next column

## CONT'D FROM PREVIOUS COLUMN

are \$1 each so if you buy 3 specials, you will need an additional \$3 to pay for them. Adopt a Family cards are \$1 each or 6 for \$5. You will pay for those separately, as well. THERE WILL BE NO CHANGE GIVEN. Temperatures will be taken before purchasing Bingo cards and upon entering the clubhouse on Bingo night.

Each person or couple will be escorted to the seats they will be occupying

Please arrive in time to be seated and ready to play by 7 PM

Please take your discarded game cards and trash home – do not deposit in club trash.

**MOST IMPORTANT: YOU MUST REMEMBER TO BRING THE CARDS YOU PURCHASED TO THE GAME ON MONDAY NIGHT AS NO SALES WILL BE MADE**

## MOVIE NIGHT

Mark your calendars for November 12 at 6:30 pm and sign up in the clubhouse in order to reserve a seat. Seating is limited and first come first served. Masks required and temps will be taken.

## BOWLING

Contact Ginny Drew (941-218-3170) if you are interested in joining the TW Bowling League. She is organizing this activity for the new year.

# TW Writer's Page

## OUR NEIGHBORS, THE HARDMANS

By LeeAnn Magner

Have you ever noticed how talented the residents of TW are? After reading Ginny Drew's column in the October issue of the Topics, it became obvious that many of our neighbors are not just sitting in their homes twiddling their thumbs. Even during the current Covid situation, our neighbors are filling their time with creative and worthwhile projects. Two of those ambitious and talented neighbors are the Hardmans, Marsha and Richard. They discovered TW's charm while attending our annual Flea Market in 2018. They were attracted to our community as they drove in and were further enticed with the obvious cooperation of the guys in the orange t-shirts transporting shoppers to the community building. After shopping, they retrieved their vehicle and took a tour around the neighborhood. The rest is history.

Marsha and Richard met when Richard hired her to work in the Administrative Services Department at the University of Illinois. It wasn't long before she became important to both the department and Richard. They worked together until Marsha was hired in the Purchasing Department where she soon became the buyer for all the computers for the university. Richard eventually became head of that department putting them together again. When Marsha retired, they began traveling together in their RV. They loved exploring the USA on wheels. Their RV eventually brought them to Florida. A friend found Ramblers Rest RV Park for them. That led them to spending many winters in our area. According to Richard, the draw was that it was a nice place with plenty of trees. In the beginning of their part-time residency there, the space rent was not unreasonable and living there was enjoyable. Over time, the space rental increased several times and ownership of the land became

a more important option. So, when they explored TW, they learned that the homeowners also owned the land that the homes occupy. Having found the community attractive, with friendly folk, low homeowners fees, land

ownership sealed the deal. They found a home for sale and quickly put in an offer. After buying the house, they encountered several folks who were also looking to buy the home they now live in. They have happily occupied

that home for nearly 2 years.

Richard soon joined Lazy Daze and enjoys the camaraderie and the fact that he is helping maintain the grounds. He is an avid woodworker and has the equipment to do all that he loves to do. He is in the process of setting up his shop in the shed. Of course that required some major remodeling. The laundry had to be moved to another area of the home. The bathroom was the logical place for a laundry. When the remodeling is complete, he will be able to get back to his creative activities. Among other projects, he makes small objects

like pens and gorgeous boxes. He made the legs for an ottoman that Marsha designed. He belongs to a woodworking group, The Sarasota Turning Club. On a recent visit to their home, I discovered that he is also a talented artist. His work is

hanging in his office and is wonderful. He works in oils and acrylics. Plus, according to Marsha, he can fix almost anything and does. And along with Marsha, he is involved in playing bridge and attends morning exercise classes. Oh, and he and Marsha both attest to his pie baking skills.

While Richard is talented and crafty, Marsha is an absolute marvel. Her workshop is chock full of the proof of her amazing talents. She has a dedicated room full of her handicrafts. Her walls are decorated with evidence of her ability at cross stitch. She says she has hundreds of them and just can't part with them. So, she switches them out from time to time. She is incredibly organized

with dozens of containers on shelves in her workshop holding so many crafts. Her quilting is gorgeous and plentiful. I asked how many quilts she has and she said, "about a hundred." It seems that she has so many

projects working at the same time. Her stained-glass work is also on display, though not quite as numerous. Her hand work is not the only thing that occupies her time. They are both voracious readers and after seeing their work and workspaces, it is a mystery to me when they find time to even breathe.

Get to know these active and ambitious neighbors. They are a great addition to our community. And if you get the chance, their home is a virtual gallery of their combined artistic output.

## TW NAME BADGES

By Shirley OKelly

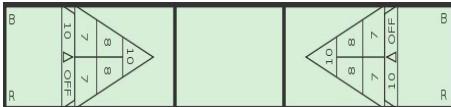

To all new residents, if you would like to purchase a magnetic name badge, please contact me. It's a good way to put a name with a face. Cost is \$8.56 each.

## Shuffleboard

By Denise Chard

Shuffleboard League is starting in January. Not sure what date we will begin. Please call me at 269-873-5125 if you are interested in playing. If you signed up on the 2021 sign-up sheet, please call me to confirm that you still want to play.

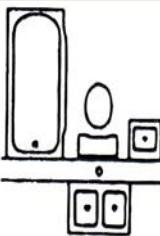

## SARASOTA LAWN

### WATERING GUIDELINES

Did you know that there are actually rules in place that determine when we should water our lawns? Surprise! In an effort to preserve our water table, Sarasota placed restrictions on lawn watering long ago. For those of us who are either unaware or remiss, even numbered homes should water on Tuesdays and odd numbered homes on Thursdays. Please.

## TW KAYAKING

By Bert Noyes

Kayaking at TW was both challenging and fun last season. We conducted two Safety and Instruction classes which graduated eight kayakers who can confidently employ their talent and skills as they cruise the waters near Tangerine Woods. You all did a great job!

Twenty-three paddlers explored Shakett Creek in Nokomis in February, but the Full Moon Paddle in March that many of us had been looking forward to had to be rescheduled, along with the remainder of the 2020 tours, because of the outbreak of Covid 19. The Full Moon Paddle has been placed on the activity calendar for the Spring of 2021 as we hope to experience this new TW adventure. A tour through the Woolverton Trails in Placida and an excursion to Boca Grande are also in our plans. Kayaking is an activity that many of us over-55ers can enjoy. We use sit-on-top rental kayaks which are easy and safe for us to get in and out of. The kayaks are very stable and we kayak in shallow waters (mostly). Tangerine Woods kayakers stay together and help one another as we launch into each new paddle trip and those who wish often get a bite to eat after the tour. Anyone who wants to join the kayak trips is welcome. Our goal is to be safe, have fun together, and include everyone who would like to try the kayaking experience. None of us are pros and the comradery is outstanding. Please feel welcome to join us.

**REMEMBER TO CHECK ON YOUR NEIGHBORS. WE ALL NEED HELP FROM TIME TO TIME AND THE HOLIDAYS ARE A PARTICULARLY NEEDY TIME OF YEAR.**

## HORSESHOES:

COMPETITIVE AND FUN

By Bert Noyes

The 2020 season of Tangerine Woods Horseshoes was both competitive and fun. We had ten co-ed teams and were supported by skilled and dependable substitutes. Dick Easley, our mentor and the most veteran of our players, and Barry Gottshall led the League in total ringers and average ringers per game. The teams of Pete Weatherhead and Len Warburton and Dick Easley and Chuck Richley were the leaders in game victories. Other teams and players were Bob Riedel and Marcia Mitchell; Bert Noyes and Jeff Poznick; Barry Gottshall and Tom McNamara; Denny Blaser and George Ruiz; Ron Pettit and John DeBoer; Karl Mortensen and Barbara Weatherhead; Patty Johnson and Paul Mancine; George Kress and Bob Doyle; and Chuck Molt. Our outstanding substitutes included Alice Armao, Louise Glose, Jim Kassimer, John O'Neil, and Arlen Salgat. Each of these horseshoe players contributed their talents, dedication, and sense of humor as we competed in often-close games while enjoying each other's fellowship. A huge "Thank you" to all who participated in the 2020 season.

We hope to open our league play in January/February 2021. We also provide instruction for those who would like to learn and invite anyone who would like to play to join us.

Voted Best of Englewood over 30 times!
