**Remember —

MAXIMUM of
two issues be-
fore the
planned event.**

The holiday season is over and I trust each of you enjoyed the time with family and friends. Many of our residents traveled North during the holiday season to enjoy the snow, cold temps and grey skies! I am sure what made the trip worthwhile was being with children and grandchildren. The rest of us “stuck it out” here in FL with warm temps and sun-filled skies. I know it is a tough job, but someone had to do it.

As usual TW was beautiful and very active during the holidays. Lois Campbell and the ladies worked their magic in the clubhouse and it was absolutely beautiful. Lydia Molineaux spent weeks inventorying and organizing the decorations for the front gate area making Lazy Daze’s job so much easier. The new white Christmas trees and other new lighting really enhanced the beauty of our entry. A huge thank you goes out to all of the volunteers for making TW a beautiful place to be during the holidays. Thanks also to all residents who decorated the outside of their homes.

As always the Christmas Dinner Dance was well received and enjoyed by all who attended. Thanks to Doreen Anderson for organizing and hosting this beautiful event. I must also

give a giant shout out to all of those who contributed to “Adopt a Family” and to Ann Foster for her tireless work to make this charity the success it has become. At the time of this writing I don’t know the number of families who were helped, but I do know the donations made by TW made Christmas for many children and families much happier. Thank you to all who helped make Christmas special for those families.

Finally, the golf cart parade was again a lot of fun and a huge success. Every year the decorations on the carts get more innovative and it is great to see so many participating. Thank you, Ken Keyes, for organizing this event.,

All of our recreational leagues and activities are in full swing. The multitude of TWERC activities are an excellent way to get out and meet new people while at the same time get-

ting a little exercise. In closing, this will be my last year as President of the TWOA Board of Directors. I will be serving one more year on the Board; however I will not be seeking an officer’s position. I have served 1 year as a director, 1 year as vice president and 3 years as President. It has been my pleasure and honor to serve as your President. It is difficult to make all residents happy, but I have always tried to guide the BOD in a direction that benefits the community. I will continue to strive for the betterment of TW in my last year as a director.

I want to thank all of my committee chairpersons for their time and work to keep TW running smoothly. This is by far the BEST community of this type anywhere in FL and it is due to all the volunteers. Thanks to each and every one of our TW residents.

HAPPY NEW YEAR

TW ACTIVITIES AND ANNOUNCEMENTS

LeeAnn's Musings

By LeeAnn Magner

January is a very busy time in our community. There are so many activities offered that no one could possibly participate in every one of them. There are a few that really need everyone's participation. The election of the members of the Board of Directors needs every one of us to show up or send in our proxy in order to have a quorum. Additionally, the election of the Board and Directors of TWERC also needs your vote. Get involved. Take part in the choosing of who represents you to make the decisions that affect our lives in this community. The Annual Flea Market needs our full support and help. If you are not participating, perhaps you have treasures around your home or shed that could be donated to the White Elephant Sale. Of course, you could rent a table to sell your "stuff." You could make some of your best baked goodies for the Bake Sale. Lazy Daze will be performing their usual magnificent job managing the seemingly impossible orderly flow of traffic. The committee always needs help with the movement and placement of tables. Please get involved. You will be happy you did!

TIKI FRIDAY

The first Tiki Friday of this season is quickly approaching and is one of the most anticipated events on our social calendar. 2019 is just a fond memory. It is time to make some new memorable TW moments with friends and neighbors!!! Join us on Friday, January 17 from 2 to 6 pm on the Clubhouse Lanai and around the pool.

The TW Sunshine Band has been warming up for several weeks and sounds awesome. The music alone will make this a day to remember. Throw in the grill and the talented TW chefs cooking up burgers and hot dogs and you have a great reason not to cook dinner on this day. We can't forget our Tiki Bar and mocktails to be enjoyed. So bring along your libation of choice to add to this sweet treat. New friends, neighbors, music and laughter combine to make this an event not to be missed. For all the new residents' information, there is no admission charge. Just bring along a lawn chair and you are set for an afternoon of great fun and entertainment.

LAZY DAZE PANCAKE BREAKFAST

Jim Carrey

Lazy Daze first Pancake Breakfast of this season will be held on Sunday, January 19th from 8 - 11 AM at the Clubhouse. For \$5.00 you will be served pancakes, scrambled eggs, sausages, orange juice and coffee or tea. It is **ALL YOU CAN EAT PANCAKES** so come and enjoy! Please purchase your tickets at Saturday's coffee and remember to bring your family and friends for this delicious meal.

TW BLOOD DRIVE

Linda Friede

The first blood drive for 2020 in TW for the SunCoast Blood Bank is Saturday January 18

from 7am to 12. All blood do-

nated is exclusively used in this area. Did you know three lives are saved by one donation? It takes approximately 30 minutes of your time to donate, so please consider signing up. A sign up sheet will be posted in the lobby a week prior to the drive.

We welcome our returning donors and urge any new residents or anyone considering donating to sign up. Give the gift of life.

COUPLES GOLF

Couples golf starts Saturday, January 4 at Oyster Creek in Englewood and continues every other Saturday. Following golf we meet back at TW clubhouse for social time and dinner - usually potluck. This is a fun league for all levels of golfers. If you have questions or are interested in signing up contact Linda or Bob Friede at 612-991-3306 or email artie101048@aol.com

Book Club News

Audre Sautter

Book Club will meet on Thursday, January 16th at 3:00 p.m. in the Card Room. The book for this month is Where Did You Go, Bernadette? Bernadette is many things: a revolutionary architect, an opinionated wife, a disgrace to her neighbors, a devoted mother. Then she vanishes! She will get you laughing, shaking your head at her antics, and sympathizing with her at the same time.

SHREDDING EVENT Saturday, Feb. 15, 2020 TWERC sponsored event

I am happy to announce that TW is having a Shredding Event for our residents. If you have a lot of paper that needs shredding, start saving it up for this event. This is a good time to clean out your file cabinet. A truck will come to the Clubhouse parking lot and shred all your important papers or anything you want to keep confidential. They will be here from 10:00 after coffee until 12:00. They will shred while you wait and watch. They will then take it to a recycling place in Sarasota, bail and send it to a recycling plant.

THEY CAN NOT SHRED THE FOLLOWING:

Batteries, Large metal objects, Binders, Metal hanging file folders, Electronics, Clothing, or non-paper items

THEY CAN SHRED:

Paper clips, Staples, & Manila folders

If you have any questions contact: Mary Brown - 941-473-8075

HELP WANTED

Marcia Napolitan

The White Elephant is gearing up now for our big 2 day sale the last of January.

We are hoping that we get new residents to volunteer for a few hours of simple work to help us set up and get everything ready for the big sale. A couple of hours to meet new friends, help unwrap, price and set out the treasures that will be donated is all that I ask. Contact me at 248-681-8486 and probably leave a message with your name and phone number. At Saturday coffee, I sit near the sofas in the first row--catch me there.

IMPORTANT NOTICE

There are many activities taking place in the clubhouse and it is important to remember to put **EVERYTHING** that is used or moved back where it was when you found it. That includes furniture, ice buckets, and all the bits and pieces used for the activity that you hosted. Thank you for your cooperation.

DID YOU KNOW Marcia Napolitan

- ◆ That if you hire a building contractor, he is to leave your property neat each day, play no loud music audible to your neighbor and not begin work before 8 a.m. (I can imagine what you are thinking but the 8 a.m. rule and neatness should always be adhered to.)
- ◆ Then remind the contractor that the speed limit is 20 mph on the Boulevard. #5a
- ◆ That sometimes a Sarasota County building permit is needed, for which you are responsible. Also, the County may be slow in their response.
- ◆ That your contractor is not to bring their pets along and not to work on Sunday. When you hire them, remind them of all our parameters. #5d
- ◆ That before you plant any new flowers or trees that you read the new rules and regs. #6
- ◆ There is a rule for almost everything in TW. Smile, you are on candid camera. We have a rule for that, too!

Sandy Hayward

Have you tried to play cornhole yet? It's easy! Just toss a little bag into a hole! There are sign up sheets located in the card room on the bulletin board. There are 4 leagues: Thursday morning or afternoon and Friday morning or afternoon. If you need a partner, sign as a single and we will match you with someone. Matches will begin on January 9 and 10 and will run for 9 weeks. Completed schedules are posted in the card room from late December and each player will receive copies of schedules and rules.

All equipment can be found in a new storage cabinet on the lanai. And our boards have been totally refurbished (thank you Bob Summers). Questions, call Sandy at 941-460-6189.

**TANGERINE WOODS ANNUAL
 FLEA MARKET 2020
 Friday January 31st and Saturday
 February 1**

If you are new to TW, this is the largest fundraiser for TWERC. The money raised helps to support all the social activities that we enjoy. The White Elephant Room usually brings in over 1/3 of the total money. Please look around your house and see if there are any gently used items that you might be willing to donate for our sale. Is there a set of glasses or china, a picture on the wall, a lamp, a bedspread, a table or a chair that you need to move out of the house? Please, only saleable items. We don't accept clothing, TVs, computers, printers, windows, mirrors or anything broken.

You may bring your "treasures" to the clubhouse on Friday morning, January 31st. The workers will price and arrange them for the sale. If you have something too large or heavy to handle, there is a committee for pickup and delivery at the clubhouse on Friday morning the 31st. Please contact John Yannaci at 941-474-4788.

Not Much Happens in January By LeeAnn Magner

January is not only the beginning of the new year, it is also the month that cabin fever seems to be rampant. After the busy holidays and all of the festivities associated with them, there is a definite let down. But, take heart, there are a few interesting things to celebrate during this new beginning. The one thing that is of National interest is the celebration of Martin Luther King Day. Although they don't have national holidays, Betsy Ross, Benjamin Franklin, Sir Isaac Newton, Franklin D. Roosevelt, Thomas "Stonewall" Jackson and baseball legend Jackie Robinson were also born in this month. On January 7, 1789 George Washington was elected our first president. While January 9 is national apricot day and not so interesting, January 10 is Bittersweet Chocolate Day shared with the Volunteer Fireman's Day. January 14 is Bald Eagle Day shared with Pastrami Sandwich Day and Dress Up Your Pet Day. The 15th celebrates National Strawberry Ice Cream Day while the 19th celebrates National Popcorn Day. Then the 20th can be observed by applauding Penguin Awareness Day or Basketball Day. The 21st is my favorite because it is National Hugging Day, along with Granola Day and Squirrel Appreciation Day. National Pie Day is on the 23rd shared with Handwriting Day. Gold was discovered on the 24th of January 1848, the first winter Olympics were on the 25th in 1924, and Michigan was admitted to the Union on the 26th in 1837. The 28th is National Blueberry Pancake Day while the 29th celebrates both National Carnation and Nat'l Puzzle Day. Finally, the 30th celebrates National Croissant Day. Now, aren't you glad you live in TW where January is not boring? Go out and enjoy yourselves.

SNAKES IN SW FLORIDA

"Snakes!" Say that in a crowd and most might run for cover and ask questions later. In Florida, we offer habitat to 46 species of native snakes. 34 of these native snakes can be found in Southwest Florida including 4-6 venomous breeds. The Pygmy Rattlesnake is the most common venomous snake in urbanized areas. South Florida also hosts 3 of the 4 nonnative species of snake, including Burmese Pythons and Boa Constrictors.

If you see a snake, stop and watch. Most snakes will mind their own business and slither along without giving you a second thought, because they are more afraid of you than you of them, really! While you watch and wait, consider how beneficial these creatures are to maintaining the balance of the fragile ecosystems of Southwest Florida.

Snakes are an important part of our local ecosystems, as they provide sanitation and pest control by keeping rodent populations in check. Rodents, including mice, rats and more, frequently carry diseases that can spread to humans. These diseases include Lyme disease, Salmonella, and Rat Bite Fever. Lyme disease is the most common and widely spread tick borne disease in the United States infecting upwards of 300,000 annually. Consider these cold-blooded, sneaky serpents a benefit, not an enemy! If necessary there are local businesses that perform snake removal.

Another benefit to hosting a number of snakes in Florida? They provide other creatures with a great food source. Birds such as owls, herons, eagles and falcons, and other critters like alligators and bobcats devour snakes, helping the balance of the local ecosystem with every meal.
